ARTICLE 2. RIGHTS OF PERSONS WITH SERIOUS MENTAL ILLNESS

R9-21-201. Civil and Other Legal Rights
A. Clients shall have all rights accorded by applicable law, including but not limited to those prescribed in 36-514 and in 9 A.A.C. 20. Any individual or agency providing behavioral health services or commu-
R9-21-101 shall not abridge these rights, including the following:
1. Those civil rights set forth in A.R.S. § 36-506;
2. The right to acquire and dispose of property, to execute instruments, to enter into contractual relations
occupational or vehicle operator's licenses, unless the Client has been adjudicated incompetent or the
or finding that such client is unable to exercise the specific right or category of rights. In the c
incompetent, these rights may be exercised by the client's guardian, in accordance with applicable law
3. The right to be free from unlawful discrimination by the Department or by any mental health agency
religion, sex, sexual preference, age, physical or mental handicap or degree of handicap; provided, ho
on age, sex, category or degree of handicap shall not be considered discriminatory, if based on write
developed by a mental health agency and approved by the Department as necessary to the safe opt
agency and in the best interests of the clients involved;
4. The right to equal access to all existing behavioral health services, community services, and generic serv
the state of Arizona;
5. The right to religious freedom and practice, without compulsion and according to the preference of the c
6. The right to vote, unless under guardianship, including reasonable assistance when desired in registering
and noncoercive manner;
7. The right to communicate including:
   a. The right to have reasonable access to a telephone and reasonable opportunities to make and rece
   have assistance when desired and necessary to implement this right;
   b. The unrestricted right to send and receive uncensored and unopened mail, to be provided with
   reasonable amounts, and to assistance when desired and necessary to implement this right;
8. The right to be visited and visit with others, provided that reasonable restrictions may be placed on th
but only to protect the privacy of other clients or to avoid serious disruptions in the normal funct
agency;
9. The right to associate with anyone of the client's choosing, to form associations, and to discuss as a gr
for the program, matters of general interest to the client, provided that these do not result in serious
functioning of the mental health agency. Clients shall receive cooperation from the mental healt
publicize and hold meetings and clients shall be entitled to invite visitors to attend and participate in s
they do not result in serious disruptions in the normal functioning of the mental health agency;
10. The right to privacy, including the right not to be fingerprinted and photographed without authoriza
A.R.S. § 36-507(2);
11. The right to be informed, in appropriate language and terms, of client rights;
12. The right to assert grievances with respect to infringement of these rights, including the right to have su
a fair, timely, and impartial procedure, as set forth in Article 4 of these rules, and the right not to be
13. The right of access to a human rights advocate in order to understand, exercise, and protect a client's rig
14. The right to be assisted by an attorney or designated representative of the client’s own choice, inclu
private area at the program or facility with an attorney or designated representative. Nothing in this S
require the Department or any mental health agency to pay for the services of an attorney who consult
15. The right to exercise all other rights, entitlements, privileges, immunities provided by law, and
consumers of behavioral health services or community services set forth in A.R.S. §§ 36-504 through
16. The same civil rights as all other citizens of Arizona, including the right to marry and to obtain a divo
live in the community of their choice without constraints upon their independence, except those cont
are subject.
B. Nothing in this Article shall be interpreted to:
1. Give the power, right, or authority to any person or mental health agency to authorize sterilization, abor
respect to any client, except as may otherwise be provided by law; or
2. Restrict the right of physicians, nurses, and emergency medical technicians to render emergency care
with A.R.S. § 36-512; or
3. Construe this rule to confer constitutional or statutory rights not already present.

Historical Note
Adopted under an exemption from A.R.S. Title 41, Chapter 6 pursuant to Laws 1992, Ch. 301, § 61, effecti
received in the Office of the Secretary of State October 14, 1992 (Supp. 92-4). Amended under an exempt
41, Chapter 6 pursuant to Laws 1992, Ch. 301, § 61, effective September 30, 1993 (Supp. 93-3). Amended
at 9 A.A.R. 3296, effective June 30, 2003 (Supp. 03-2).

R9-21-202. Right to Support and Treatment
A. A client has the following rights with respect to the client's support and treatment:

1. The right to behavioral health services or community services:

a. Under conditions that support the client's personal liberty and restrict personal liberty only as
   Chapter;

b. From a flexible service system that responds to the client's needs by increasing, decreasing and
   change;

c. Provided in a way that:

i. Preserves the client's human dignity;

ii. Respects the client's individuality, abilities, needs, and aspirations without regard to the client;

iii. Encourages the client's self-determination, freedom of choice, and participation in treat
   capacity;

iv. Ensures the client's freedom from the discomfort, distress and deprivation that arise from an
   environment;

v. Protects and promotes the client's privacy, including an opportunity whenever possible to 1
   private living, sleeping and personal care spaces; and

vi. Maximizes integration of the client into the client's community through housing and res
   located in residential neighborhoods, rely as much as possible on generic support serv
   assistance in ordinary community experiences, and utilize specialized mental health prog
   near generic community services;

vii. Offers the client humane and adequate support and treatment that is responsive to the client
   client's needs may vary, and is capable of adjusting to the client's changing needs; and

d. That provide the client with an opportunity to:

i. Receive services that are adequate, appropriate, consistent with the client's individual needs,
   client's freedom;

ii. Receive treatment and services that are culturally sensitive in structure, process and content;

iii. Receive services on a voluntary basis to the maximum extent possible and entirely if possible;

iv. Live in the client's own home;

v. Undergo normal experiences, even though the experiences may entail an element of risk,
well-being or that of others is unreasonably jeopardized; and
vi. Engage in activities and styles of living, consistent with the client's interests, which is integration of the client into the community.
2. The right to ongoing participation in the planning of services as well as participation in the development of an individual service plan;
3. The right to be provided with a reasonable explanation of all aspects of one's condition and treatment;
4. The right to give informed consent to all behavioral health services and the right to refuse behavioral health services, with A.R.S. §§ 36-512 and 36-513, except as provided for in A.R.S. §§ 36-520 through 36-544 and 13
5. The right not to participate in experimental treatment without voluntary, written informed consent, protection associated with such participation; and the right and opportunity to revoke such consent;
6. The right to a humane treatment environment that affords protection from harm, appropriate privacy, and physical abuse;
7. The right to enjoy basic goods and services without threat of denial or delay. For residential service providers, services include at least the following:
   a. A nutritionally sound diet of wholesome and tasteful food available at appropriate times and in as near normal and individually chosen and owned;
   b. Arrangements for or provision of an adequate allowance of neat, clean, and appropriate, and individually chosen and owned;
   c. Assistance in securing prompt and adequate medical care, including family planning services, facilities;
   d. Opportunities for social contact in the client's home, work or schooling environments;
   e. Opportunities for daily activities, recreation and physical exercise;
   f. The opportunity to keep and use personal possessions; and
   g. Access to individual storage space for personal possessions;
8. The right to be informed, in advance, of charges for services;
9. The right to a continuum of care in a unified and cohesive system of community services that is we movement of clients among programs, and ensures continuity of care;
10. The right to a continuum of care that is consistent, but is not limited to, clinical case management, outre services, crisis intervention and resolution services, mobile crisis teams, vocational training and rehabilitation services, peer support, social support, recreation services, advocacy, family support services and treatment, transportation, and medication evaluation and maintenance;
11. The right to a continuum of care with programs that offer different levels of intensity of services in the needs of each client;
12. The right to appropriate mental health treatment, based on each client's individual and unique needs from which the client would reasonably benefit;
13. The right to community services provided in the most normal and least restrictive setting, according to appropriate to the client's needs;
14. The right to clinical case management services and a case manager. The clinical team negotiates an service and ensures the client's smooth transition with service providers and among agencies;
15. The right to participate in treatment decisions and in the development and implementation of the care plan in choosing the type and location of services, consistent with the ISP;
16. The right to prompt consideration of discharge from an inpatient facility and the identification of the client's discharge as part of an ISP;
17. The rights prescribed in Articles 3 and 4 of this Chapter, including the right to:
   a. A written individual service plan;
   b. Assert grievances; and
   c. Be represented by a qualified advocate or other designated representative of the client's choosing in the inpatient treatment and discharge plan and in the grievance process, in order to understand client's rights.

B. Subsection (A) shall not be construed to confer constitutional or statutory rights not already present.

Historical Note
Adopted under an exemption from A.R.S. Title 41, Chapter 6 pursuant to Laws 1992, Ch. 301, § 61, effective
received in the Office of the Secretary of State October 14, 1992 (Supp. 92-4). Amended by exempt rule 3296, effective June 30, 2003 (Supp. 03-2).

R9-21-203. Protection from Abuse, Neglect, Exploitation, and Mistreatment
A. No mental health agency shall mistreat a client or permit the mistreatment of a client by staff subject to includes any intentional, reckless or negligent action or omission which exposes a client to a serious risk of harm. Mistreatment includes but is not limited to:
1. Abuse, neglect, or exploitation;
2. Corporal punishment;
3. Any other unreasonable use or degree of force or threat of force not necessary to protect the client or harm;
4. Infliction of mental or verbal abuse, such as screaming, ridicule, or name calling;
5. Incitement or encouragement of clients or others to mistreat a client;
6. Transfer or the threat of transfer of a client for punitive reasons;
7. Restraint or seclusion used as a means of coercion, discipline, convenience, or retaliation;
8. Any act in retaliation against a client for reporting any violation of the provisions of this Chapter to the Department.

B. The following special sanctions shall be available to the Department, in addition to those set forth in 9 A.A.C. to protect the interests of the client involved as well as other current and former clients of the mental health agency:
1. Revocation of the license of the mental health agency or the provision of Departmental disciplinary action against the agency or employee of the Department, grounds for disciplinary action, which may include dismissal.
2. Failure of an employee of the Department to report the Department any instance of mistreatment with subject to this Chapter shall be grounds for disciplinary action, which may include dismissal.
3. Failure of an agency director to report client deaths and allegations of sexual and physical abuse to the with the procedures described in Article 4 of this Chapter for the processing and investigation of the grounds for suspension of the license of the mental health agency or the provision of Departmental disciplinary action respect to a service provider directly operated by the Department, grounds for disciplinary action, which shall be an immediate action.
4. The agency director shall report all allegations of mistreatment and denial of rights to the Office of the Director of the Department in accordance with R9-21-105.

C. An agency director shall report all incidents of abuse, neglect, or exploitation to the appropriate authority and staff persons subject to the agency's direction, a report shall be filed with the county attorney.

D. Where an agency director or state authority has reasonable cause to believe that a felony relevant to the functioning of the agency, the report shall be filed with the county attorney.

E. The identity of persons making reports of abuse, neglect, exploitation, or mistreatment shall not be disclosed except as necessary to investigate the subject matter of the report.

Historical Note

R9-21-204. Restraint and Seclusion
A. A mental health agency shall only use restraint or seclusion to the extent permitted by and in compliance with federal and other applicable federal or state law.

B. A mental health agency shall only use restraint or seclusion:
1. To ensure the safety of the client or another individual in an emergency safety situation;
2. After other available less restrictive methods to control the client's behavior have been tried and were un
3. Until the emergency safety situation ceases and the client's safety and the safety of others can be ensured;
4. In a manner that:
   a. Prevents physical injury to the client,
b. Minimizes the client's physical discomfort and mental distress, and
c. Complies with the mental health agency's policies and procedures required in subsection (E) and with
C. A mental health agency shall not use restraint or seclusion as a means of coercion, discipline, convenience, or
D. A service provider shall at all times have staff qualified according to 9 A.A.C. 20 on duty to provide:
1. Restraint and seclusion according to this Section, and
2. The behavioral health services the mental health agency is authorized to provide according to 9 A.A.C. 2
E. A mental health agency shall develop and implement written policies and procedures for the use of restraint
consistent with this Section and other applicable federal or state law and include:
1. Methods of controlling behavior that may prevent the need for restraint or seclusion,
2. Appropriate techniques for placing a client in each type of restraint or seclusion; used at the mental health
3. Immediate release of a client during an emergency.
F. A mental health agency shall develop and implement a training program on the policies and procedures in sub
G. A mental health agency shall only use restraint or seclusion according to:
1. A written order given:
   a. By a physician providing treatment to a client; or
   b. If a physician providing treatment to a client is not present on the premises or on-call:
      i. If the agency is licensed as a level 1 psychiatric acute hospital according to R9-20-102, 
         practitioner; or
      ii. If the agency is licensed as a level 1 subacute agency or a level 1 RTC according to R9-20-102
2. An oral order given to a nurse by:
   a. A physician providing treatment to a client, or
   b. If a physician providing treatment to a client is not present on the premises or on-call:
      i. If the agency is licensed as a level 1 psychiatric acute hospital according to R9-20-102, 
         practitioner; or
      ii. If the agency is licensed as a level 1 subacute agency or a level 1 RTC according to R9-20-10
H. If a restraint or seclusion is used according to subsection (G)(2), the individual giving the order shall, at t
consultation with the nurse, determine whether, based upon the client's current and past medical, physical
is clinically necessary for:
1. If the agency is licensed as a level 1 psychiatric acute hospital according to R9-20-102, a physician to e:
   possible and, if applicable, the physician shall examine the client as soon as possible; or
2. If the agency is licensed as a level 1 subacute agency or a level 1 RTC according to R9-20-102, a med
   the client as soon as possible and, if applicable, the medical practitioner shall examine the client as so-
I. An individual who gives an order for restraint or seclusion shall:
1. Order the least restrictive restraint or seclusion that may resolve the client's behavior that is creating the
   based upon consultation with a staff member at the agency;
2. Be available to the agency for consultation, at least by telephone, throughout the period of the restraint o
3. Include the following information on the order:
   a. The name of the individual ordering the restraint or seclusion,
   b. The date and time that the restraint or seclusion was ordered,
   c. The restraint or seclusion ordered,
   d. The criteria for release from restraint or seclusion without an additional order, and
   e. The maximum duration for the restraint or seclusion
4. If the order is for mechanical restraint or seclusion, limit the order to a period of time not to exceed three
5. If the order is for a drug used as a restraint, limit the:
   a. The dosage to that necessary to achieve the desired effect, and
   b. Drug ordered to a drug other than a time-released drug designed to be effective for more than three
6. If the individual ordering the use of restraint or seclusion is not a physician providing treatment to the cli
   a. After ordering the restraint or seclusion, consult with the physician providing treatment as soon as p
   b. Inform the physician providing treatment of the client's behavior that created the emergency safet
   client to be restrained or placed in seclusion.
J. PRN orders shall not be used for any form of restraint or seclusion.
K. If an individual has not examined the client according to subsection (H), the following individual shall condu
of a client's physical and psychological well-being within one hour after the initiation of restraint or seclusion.

1. For a behavioral health agency licensed according to R9-20-102 as a level 1 psychiatric acute hos
tpractitioner who is either on-site or on-call at the time the mental health agency initiates the restraint c
2. For a behavioral health agency licensed according to R9-20-102 as a level 1 RTC or a level 1 s
practitioner or a registered nurse with at least one year of full time behavioral health work experier
on-call at the time the mental health agency initiates the restraint or seclusion.

L. A face-to-face assessment of a client according to subsection (K) shall include a determination of:
1. The client's physical and psychological status,
2. The client's behavior,
3. The appropriateness of the restraint or seclusion used,
4. Whether the emergency safety situation has passed, and
5. Any complication resulting from the restraint or seclusion used.

M. For each restraint or seclusion of a client, a mental health agency shall include in the client's record the order
the restraint or seclusion, and shall document in the client's record:
1. The nature of the restraint or seclusion;
2. The reason for the restraint or seclusion, including the facts and behaviors justifying it;
3. The types of less restrictive alternatives that were attempted and the reasons for the failure of the less re
4. The name of each individual authorizing the use of restraint or seclusion and each individual restrain
monitoring a client who is in restraint or seclusion;
5. The evaluation and assessment of the need for seclusion or restraint conducted by the individual w
seclusion;
6. The determination and the reasons for the determination made according to subsection (H) above;
7. The specific and measurable criteria for client release from mechanical restraint or seclusion with doc
client was notified of the release criteria and the client's response;
8. The date and times the restraint or seclusion actually began and ended;
9. The time and results of the face-to-face assessment required in subsection (L);
10. For the monitoring of a client in restraint or seclusion required by subsection (P):
   a. The time of the monitoring,
   b. The name of the staff member who conducted the monitoring, and
   c. The observations made by the staff member during the monitoring; and
11. The outcome of the restraint or seclusion.

N. If, at any time during a seclusion or restraint, a medical practitioner or registered nurse determines that the en
seclusion or restraint has subsided, or if the required documentation reflects that the criteria for release ha
be released and the order terminated. The client shall be released no later than the end of the period of time
seclusion, unless a the order for restraint or seclusion is renewed according to subsection (Q).

O. For any client in restraint, the individual ordering the restraint shall determine whether one-to-one supervisio
shall document the determination and the reasons for the determination in the client's record.

P. A mental health agency shall monitor a client in restraint or seclusion as follows:
1. The client shall be personally examined at least every 15 minutes for the purpose of ensuring the client:
   and determining the client's need for food, fluid, bathing, and access to the toilet. Personal examina
   staff members with documented training in the appropriate use of restraint and seclusion and v
   supervision of a licensed physician, nurse practitioner or registered nurse.
2. A registered nurse shall personally examine the client every hour to assess the status of the client's m
   and to ensure the client's continued well-being.
3. If the client has any medical condition that may be adversely affected by the restraint or seclusion, if
every five minutes, until the medical condition resolves, if applicable.
4. If other clients have access to a client being restrained or secluded or, if the individual ordering the restr
that one-to-one supervision is clinically necessary according to subsection (O), a staff member shall cl
on a one-to-one basis.
5. If a mental health agency maintains a client in a mechanical restraint, a staff member shall loosen the m
minutes.
6. Nutritious meals shall not be withheld from a client who is restrained or secluded, if mealtimes fall d:
Staff shall supervise all meals provided to the client while in restraint or seclusion.

7. At least once every two hours, a client who is restrained or secluded shall be given the opportunity to use the bathroom. An order for restraint or seclusion may be renewed as follows:

Q. An order for restraint or seclusion may be renewed as follows:
1. For the first renewal order, the order shall meet the requirements of subsection (G)(1) or (G)(2); and
2. For a renewal order subsequent to the first renewal order:
   a. The individual in (G)(1) or (G)(2) shall personally examine the client before giving the renewal order.
   b. The order shall not permit the continuation of the restraint or seclusion for more than 12 consecutive hours if requirements of subsection (P) are met.

R. No restraint or seclusion shall continue for more than 12 consecutive hours without the review and approval of the designee of the mental health agency in consultation with the client and relevant staff to discuss and evaluate the review and approval, if any, and the reasons justifying any continued restraint or seclusion shall be recorded.

S. If a client requires the repeated or continuous use of restraint or seclusion during a 24-hour period, a review of the situation shall be made and shall include the client and all relevant staff persons and clinical consultants who are available for an alternative treatment setting and the needs of the client. The review and its findings shall be recorded in the client's record.

T. Whenever a client is subjected to extended or repeated orders for restraint or seclusion during a 30-day period, require a special meeting of the client's clinical team according to R9-21-314 to determine whether or not it would be useful and whether modifications of the ISP or ITDP are required.

U. As part of a mental health agency's quality assurance program, an audit will be conducted and a report filed director within 24 hours, or the first working day, for every episode of the use of restraint or seclusion to show compliance with the rules set forth in this Article.

V. Not later than the tenth day of every month, the program director shall prepare and file with the Division of Rights a written report describing the use of any form of restraint or seclusion during the preceding month or by any employees of the agency. In the case of an inpatient facility, the report shall also be filed with the committee for that facility.

W. The Department's human rights committee, the Office of Human Rights, and any applicable regional human review such reports to determine if there has been any inappropriate or unlawful use of restraint or seclusion, or if the use of restraint or seclusion may be used in a more effective or appropriate fashion.

X. If any human rights committee or the Office of Human Rights determines that restraint or seclusion has been used in an inappropriate or unlawful manner, the committee or Office may take whatever action is appropriate, including investigations referring the matter to the Division for remedial action.

Historical Note

R9-21-205. Labor
A. No client shall be required to perform labor which involves the essential operation and maintenance of regular care, treatment or supervision of other clients, provided however, that:
1. Only a residential service provider may require clients to perform activities related to maintaining the areas, their clothing and personal possessions in a neat and clean manner.
2. Clients may perform labor in accordance with a planned and supervised program of vocational and educational development in an ISP or ITDP developed according to Article 3 of this Chapter.

B. Any client may voluntarily perform any labor available.

C. The requirements of federal and state laws relating to wages, hours of work, workers' compensation and other matters must be met with respect to all labor.

Historical Note
Adopted under an exemption from A.R.S. Title 41, Chapter 6 pursuant to Laws 1992, Ch. 301, § 61, effective October 14, 1992 (Supp. 92-4). Amended by exempt rule...
R9-21-206. Competency and Consent

A. A client shall not be deemed incompetent to manage the client's affairs, to contract, to hold profession operator's licenses, to make wills, to vote or to exercise any other civil or legal right solely by reason of a agency.

B. An applicant or client is presumed to be legally competent to conduct the client's personal and financi determined by a court in a guardianship or conservatorship proceeding.

C. Only an applicant or client who is competent may provide informed consent, authorization, or permission as mental health agency shall use the following criteria to determine if an applicant or client is competent establishing or removing a guardianship, temporary guardianship, conservatorship, or guardianship ad litem
- An applicant or client shall be determined to be in need of guardianship or conservatorship only if the to make important decisions concerning the applicant or client or the applicant's or client's property is of a person with legal authority to make such decisions for the applicant or client creates a serious risk health, welfare or safety.
- Although the capability of the applicant or client to make important decisions is the central factor i guardianship, the capabilities of the applicant's or client's family, the applicant's or client's living cit that available treatment will improve the applicant's or client's ability to make decisions on the appli the availability and utility of nonjudicial alternatives to guardianships such as trusts, representativ programs, or community support services should also be considered.
- If the applicant or client has been determined to be incapable of making important decisions with respect personal or financial affairs, and if nonjudicial, less restrictive alternatives such as trusts, representati accounts, and citizen advocates are inadequate to protect the applicant or client from a substantial a applicant's or client's health, safety, welfare, or property, the applicant's or client's nearest living relati accompanying recommendation that a guardian or conservator be appointed.
- If the applicant or client is capable of making important decisions concerning the applicant's or client's h either independently or through other less restrictive alternatives such as trusts, representative payees, and citizen advocates, the applicant's or client's nearest living relative shall be notified with an accc that any existing guardian or conservator be removed.
- If the client has been determined to require or no longer require assistance in the management of finan the nearest living relative cannot be found or is incapable of or not interested in caring for the client' agency shall assist in the recruitment or removal of a trustee, representative payee, advocate, conserve this Section shall be construed to require the Department or any regional authority or service provide appointment or removal of a trustee, representative payee, advocate, conservator, or guardian.
- The assessment or periodic review shall identify the specific area or areas of the client's functioning recommendation for the appointment or removal of a guardian or conservator, such as an inability health problems or consent to medical care, or an inability to manage savings or routine expenses.

D. Mental health agencies shall devise and implement procedures to ensure that suspected improprieties of a gu representative payee, or other fiduciary are reported to the court or other appropriate authorities.
